discover the hidden secret that lies at the heart of freemasonry the secrets of solomon s temple explores the background of freemasonry and presents it in a new and fascinating context as it relates to our modern world it also reveals the true identity of king solomon and shows his temple in a way it s never been explored before

a witch s handbook from the trial records of the venetian inquisition this grimoire or handbook of magic was confiscated by the venetian inquisition in 1636 from practicing witches after decades of searching for this elusive text i now have the pleasure of presenting and translating it here for the first time it contains their secret techniques for dealing with the more dangerous spirits or daemons intentionally scattered and hidden within a collection of secrets comprising many detailed examples together these provide enough clues to enable practitioners to create their own spells for working with all the spirits cataloged it distinguishes itself as a supplement to the better known clavicula or key of solomon whereas that text focuses on aerial spirits this one focuses on chthonic spirits this text is one of the primary original sources for the popular grimorium verum

with his recent best selling books and hundreds of articles as well as radio and tv appearances philip gardiner has started a crusade for uncovering the truth and nothing could be more indicative of that search than his latest foray into the dark and often sinister world of secret societies yet again gardiner finds himself on a journey across the world to uncover the ancient secrets of the world s most powerful men in one dramatic episode he finds himself driven out of berlin in a black mercedes by a secret organization that was believed to have disappeared after the second world war and eventually arrives in a modern nazi watering hole gardiner however survives this incredible journey and brings us the secrets of the order held sacred for so long gardiner delves into a world that is often hidden from our eyes and finds himself in situations that seem to mirror the fictional world of the da vinci code throughout secret societies gardiner uncovers an ancient secret society thought to have died out many years ago gets to the core of the secret societies belief systems explores the secret origins of freemasonry and the links to secret serpent cults investigates the secret hidden meaning of king arthur and robin hood examines the claimants to the name of illuminati and analyzes the history of the group in europe and america reveals the secret links within the vatican and the nazi party looks in depth at the white powdered gold theory supposedly kept secret by orders throughout time and radically re appraises it shows the link between the so called enlightenment experience and the control of our minds nobody in the genre involves themselves in the tale in the same way that gardiner does and here he shows that the search for ultimate truth can often be a terrifying one

we have all been told that solomon was a noble and wise ruler in ancient times however in the past twenty years much of our understanding about biblical times has changed eminent archaeologists have indicated that solomon was not his real name but one given to him some time after his death furthermore increased understanding of ancient languages has resulted in the correction of many translation errors and changed our perception of biblical events this reveals that what the church has promoted for several centuries may have to be reconsidered this book reveals a secret that has been lying at the center of freemasonry for hundreds of years who really was solomon and what was the nature of the secret knowledge he possessed this book reveals how the temple would have worked and its connection to modern freemasonry the pentagram or solomon s seal is a masonic symbol where did it come from and what is its meaning
